nickvardak The @greatesttomatoesfromeurope are San Marzano DOP and come from Southern Italy🇮🇹 Thank you to @ciaopomodori for the private tour of your facility. Fun fact: the assembly line is staffed with all-women based on old-world tradition and the facility practices sustainability by purifying and recycling the water and soil used during the process. @anicav_associazione @avaroseagency #anicav #greatesttomatoesfromeurope #ciaopomodori
